

THE PAULINE INSKEEP CHAPMAN MEMORIAL SCHOLARSHIP

Pauline Inskeep Chapman did not begin her nursing training until she was fifty years old. She had always dreamed of being a nurse, but the demands of raising a family had put that dream on hold. She never lost sight of that dream and earned her nursing degree.

It is the desire of the Chapman family that a graduating McClain student be awarded a one-time scholarship of \$2500.00 to help defray the cost of attending a post-secondary institution to obtain a degree in a pre-med or medical-related field.

A 3.00 GPA is the minimum for consideration to apply for this scholarship. Upon proof of acceptance, the scholarship winner will have a check sent to the institution he/she attends to obtain a degree.
