

Rainsboro Elementary Handbook

2020-2021

At Rainsboro Elementary School,
our mission is to develop
respectful, responsible, and
educated citizens, while providing
a safe and compassionate learning
environment.

DEAR STUDENTS AND FAMILIES,

Welcome to the 2020-2021 school year! It is my desire to make this your very best school year ever. You will be welcomed by a staff that will be friendly and courteous and will have students' best interests in mind. Our doors are always open! Parent participation at school and at home will lead to a very successful and positive school year.

I encourage you to read through this handbook with your child and review the policies that regulate our daily school activities. Please keep it handy, as this handbook will answer many of your questions.

During the school year, students will be learning about the **4 Habits of Mind** listed below. Practicing these important Habits will help your child to be successful at school. We encourage you to have your child practice them at home as well.

1. **Managing Impulsivity** – Thinking before acting; remaining calm, thoughtful, and deliberate
2. **Striving for Accuracy** – Always doing your best; setting high standards; checking and finding ways to improve constantly
3. **Persisting** – Sticking to it and remaining focused; looking for ways to reach your goals; never giving up
4. **Listening with Understanding and Empathy** – Devoting mental energy to another person's thoughts and ideas; making an effort to perceive another's point of view and emotions

If you do have questions, feel free to call the school at (937) 365-1271.

Sincerely,

Maggie Lyons,
Principal

MISSION STATEMENT

Our mission is to develop respectful, responsible, and educated citizens, while providing a safe and compassionate learning environment.

OFFICE HOURS

Regular office hours are from 8:00 am to 4:30 pm. The school phone number is (937) 365-1271. If you would like a conference with the principal or your child's teacher, please call in advance and set up an appointment if possible. We will continue to have an "open door" policy and will welcome visitors, but they are required to check in at the office and get a visitor's pass prior to a classroom visit.

School Closing:

Parents/Guardians will be notified of any school closing, delay or early dismissal by an automated call system. Parents/Guardians must keep the office updated of any change in their telephone number to remain current in the system. Local radio and TV stations will air these events as well.

ADMISSION

When entering a child into school, you must have his/her birth certificate, a current inoculation record, proof of residency, and his/her social security card. If you have custody, the proof of custody must be on file with us. If your child is enrolling from another school district, the previous school address will be needed. You will then sign a release of records from the previous school.

Greenfield Exempted Village School District Attendance Policy

Under the Ohio compulsory school attendance law (Ohio Revised Code 3321) children between the ages of six (6) and eighteen (18) must attend school. A child under six years of age who has been enrolled in kindergarten also shall be considered of compulsory school age per Ohio Revised Code. The Greenfield Exempted Village School District believes success in school is directly related to attendance and has adopted policies to encourage and reward good attendance. Ensuring good attendance will require a strong partnership between the district and the parent(s). This policy spells out the district's student attendance expectation and procedures for absences.

Attendance is important to us:

The Greenfield Exempted Village School District requires that students enrolled in the District attend school in accordance with the laws of the State. The State of Ohio also ranks school districts on their attendance rate. One of the indicators of an excellent district is a 93% or higher attendance rate. The educational program offered by this District is predicated upon the presence of the student and requires continuity of instruction and classroom participation to maximize its effectiveness.

Excused Absences

* Absences from school that may be excused are:

- Personal illness (parental note)
- Doctors, Dentists, etc. appointments (doctor's note)
- Death of a member of the immediate family (parental note)
- Observance of a religious holiday (parental note)
- Other circumstances as pre-approved by the principal or designee

Expectations from Parents:

Parents are expected to notify the school of their child's absence on the first day of the absence. The parent should call the child's school the day of the absence and send a signed and dated note stating the reason for the absence on the first day the child returns to school. Notes for excused absences will not be accepted if they are not submitted within three (3) school days of the child's return to school.

Actions Taken by the District For Excessive Absences (excused and unexcused):

1. A letter is sent (with a list of absences) to the parent following the 5th (32.5 hours), 10th (65 hours) and 15th (87.5 hours) day of total absences. An additional letter from the truancy officer from the Southern Ohio Educational Service Center will also be sent at the 10th (65 hours) unexcused day of absence.
2. Habitual Truant is defined as 30 or more consecutive hours, 42 or more hours in a month, or 72 or more hours in a year without a legitimate excuse.
3. Parents of habitual truant students will be contacted to participate in an Absence Intervention Team to develop absence intervention plans. Failure of student attendance improvement within 60 days will result in a referral to the district's designated truancy officer, which may result in an appearance in municipal and/or juvenile court.
4. Only professional notes will be accepted for an excused absence after the 10th (65 hours) day absent.
5. Ohio Revised Code (3321.13) requires the school administration to report any student who is absent 60+ unexcused hours in a month or 90+ unexcused hours of in a school year to the Bureau of Motor Vehicles to deny or suspend an Ohio driver's license or instructional permit.

Student Vacation Policy

Students are required to complete a vacation policy application if they are going to be out of school for three (3) or more days. This application must be picked up in the office, signed by the parent and student, and submitted to each of the student's teachers for the listing of assignments. The completed form, with each teacher's signature and assignments listed, must be submitted to the principal at least two (2) school days prior to the beginning of the absence. Vacation days must be approved by the principal to be an excused absence. Be aware that vacation days are included in the total number of days absent. As a reminder, any absence over ten days can only be excused through a professional note (doctor's note, for example), and any vacation days will accrue as UNEXCUSED absences. Students are discouraged from taking vacations during exam days. However, if it cannot be avoided, it is the student's responsibility to set SPECIFIC alternate times, with each teacher, to take the exam. In no case will a student have more than three (3) school days to make-up the exam after returning from vacation.

Tardies

We ask parents to make punctuality a priority. The first few minutes of the school day are very important as tardiness disrupts classroom teaching and learning. Students arriving to school up to sixty (60) minutes late or leaving sixty (60) minutes early will be counted as tardy. Students who come to school more than sixty (60) minutes late or leave more than sixty (60) minutes early will be counted one half (1/2) day absent. Students leaving early is discouraged as the last few minutes of the school day are devoted to instruction, review of homework assignments and announcements. If it is necessary for the child to arrive late or leave early they must report to the office to be signed in or out by the parent. A tardy will only be considered excused if a professional note is provided within 3 school days for the time missed.

Three (3) unexcused tardies will be equal to one (1) unexcused absence. Students with more than three (3) tardies may also be subject to other school disciplinary actions.

BUS TRANSPORTATION

The Greenfield Board of Education will provide transportation to all students (high school and elementary) who live more than one mile from school. The distance must be measured from the school to which the student is assigned and to the residence of the pupil over the nearest possible highway or road as required by State Minimum Standards for Transportation.

The Greenfield Board of Education will provide transportation to all handicapped children who are unable to walk to the school to which they are assigned. In case of dispute whether the child is able to walk to school or not, the health commissioner shall be the judge of such ability. (R.C. 3327.01).

Free transportation is a service provided by the Board of Education and should be regarded as a privilege by the student. Discipline on the school buses shall be the direct responsibility of the driver. Infractions of discipline or destruction of property will be reported to the high/middle school or elementary administration for further action. Those who have continued behavior problems will be denied the privilege of riding.

PUPIL AND PARENT RESPONSIBILITIES

1. Parents and pupils must assume that school bus transportation is a privilege to the student, not a right.
2. Parents will be responsible to any damage to a bus by their children.
3. Pupils shall arrive at the bus stop before the bus is scheduled to arrive.
4. Pupils shall wait in a location clear of traffic and away from the bus stops.
5. Behavior at bus stop must not threaten life, limb, or property of any individual.
6. Pupils must go directly to an available or assigned seat.
7. Pupils must remain seated keeping the aisles and exits clear.

16. Pupils must not put head or arms out of the bus windows.
17. Guidelines will be formulated for the use and storage of equipment and other means of assistance required by handicapped pupils.
18. Proper steps will be taken to collect, store, and use medical information related to pupils known to have medical problems which may require driver's attention.
19. Immediately after dismissal students must board their bus and take their assigned seat. Students are not permitted to exit the bus until they arrive at their destination.
20. Each pupil shall be assigned a residence side designated place of safety. Driver must account for each pupil at designated place of safety before leaving. Pupils are not to proceed to their residence until the school bus has departed.
21. The driver has the authority to enforce the above regulations. The pupils shall conduct themselves on the school bus as they would in a classroom except that reasonable visiting and conversation is permissible. Continued disorderly conduct or refusal to submit to the authority of the driver shall be sufficient reason for refusing a pupil's transportation due to misconduct. The school administration shall notify the parent of such refusal with a full explanation for these actions. The bus then shall permit the pupil to board the bus at his/her home until the parent gives assurance of future good conduct on the part of the pupil.

EMERGENCY CARDS

Every child must have a completed emergency card on file in the principal's office. Please list all important telephone numbers so we will be able to contact you in case of an emergency. Please list all babysitters, grandparents, and any other person who might be able to locate you in case of an emergency. Please give your child's teacher his/her new address and/or phone number should a change occur.

Field trips and walking trips are designed to enhance the classroom studies. Permission slips must be signed by the parents and are required by the school before a child participates in a field trip or walking trip.

TORNADO DRILLS

Tornado drills will be held several times throughout the school year, with extra attention paid during the spring when tornado season is at its highest. Each classroom and special areas of the building will have posted information on what to do in case of a tornado. Classroom teacher will cover all the necessary steps to take in case of a tornado emergency.

A school psychologist and guidance counselor are on staff and available to serve students when needed. The school psychologist may be reached by calling 981-4856. The guidance counselor serves all of the elementary buildings and can be reached at 365-1271. Any parent having questions regarding their child should contact the principal to schedule a conference. Our support personnel are more than willing to help in all aspects of your child's development.

HEALTH

If your child becomes ill at school, he/she should tell his/her teacher, who will send him/her to the nurse. It is imperative that we have on file an emergency number to call if the parents cannot be reached.

in this program if your family does not have insurance. This program is available throughout the school year.

KINDERGARTEN

Kindergarten students will be going to school every day all day long. This can be very demanding on the student, especially during the early adjustment time of school. Parents should make sure that their child has a nutritional breakfast and adjust their child's lunch accordingly with the lunch menu that each child will receive.

LOCKDOWN PROCEDURES

During the school year, staff and students will practice the lockdown procedures that have been implemented in case of an emergency situation. Communication regarding the practice of lockdown procedures will be provided to families as it is deemed appropriate.

Please call us if you have any questions about lost items and encourage your child to check the lost and found when needed. Do not send any items to school that are not labeled. Toys and games are prohibited unless requested by the teacher. The school is not responsible for lost items.

Students can also bring their lunch to school if they so desire. If your child happens to forget his/her lunch money, he/she may charge their lunch for one day. That charge must be paid before another charge will be approved. If you believe your family may qualify for the free or reduced-priced lunch program, then you will need to complete a lunch program form for each student. Make sure all family members are listed with their social security numbers and monthly income or I.D. number. Complete the form and return it to school as soon as possible.

MEDIA CENTER-LIBRARY

All students will be scheduled into the media center during the week. Your child has the privilege of checking out the library books. It is your child's responsibility to take good care of these books. Outside reading will make your child a better reader and in turn a better student.

MEDICATIONS

Administrative personnel and faculty of the Greenfield Schools are limited in administering medication to students. However, we realize there are times that it is necessary

for a pupil to receive prescription medicine during school hours. In this case, parents or guardians have two choices: 1. They may come to school and administer the medicine themselves, or 2. Complete a Medical Authorization Form to allow specific school personnel to administer medications. This authorization covers prescription medicine only.

Please be aware that parents can give permission for their child to have Tylenol in case of body aches and low-grade fevers. This authorization is on the back of the Emergency Medical Card.

MONEY

All monies should be sent from home with your child's name on it. The school cannot be responsible for any loose change.

MONITORS

Lunchroom and playground monitors have been hired by the school board to supervise these areas. Students must listen to and follow the directions of the monitors the same as they would a teacher. These monitors may refer children directly to the principal and will report offenses to the teachers.

NURSE

The school nurse's office is located within the administrative complex at Rainsboro Elementary School. Her telephone number is 365-1271. Please call her if you have any questions about the health of your child or any questions regarding immunizations. Any child sent to the nurse's office must obtain a pass from his/her teacher.

PICTURES

School pictures with class composites will be taken in the fall and will be handled on a prepayment plan. All children will have their picture taken, but only those who have prepaid will receive the pictures. School picture order forms will be sent home with each student. Pictures may also be taken in the spring for your convenience and may be purchased if desired.

PHYSICAL EDUCATION

Physical education is offered to all students. If a student has some limitation, it will be necessary to submit a written note to the teacher for an excuse from physical education activities. Continual limitation will require a medical excuse from the physician which will be kept on file. Tennis shoes must be worn during physical education days.

REPORTING ACADEMIC PROGRESS

Report cards are issued every nine weeks in grades K through five. Interim progress reports are sent home halfway between each grading period.

There will be a \$1.00 charge for each lost grade card or envelope.

- F. provide parents the opportunity to appeal the decision about their child's promotion, placement, or retention.

Title 1 Schoolwide

Rainsboro Elementary is a Title I Schoolwide building. Schools must meet certain requirements to be eligible for a Schoolwide Program. Only schools with poverty levels of 40% or greater can apply for a Schoolwide Title I Program. It took us a year to gather information and to involve parents, administration and staff in the process of writing the Schoolwide Plan. The school's strengths and weaknesses are examined to determine the best approach to meet the needs of all students within the school. With the information gathered, the planning committee decides on the grades, subjects and educational techniques and methods to be used, as well as procedures for evaluation of the entire program.

This means we can provide all student support and assistance. The Schoolwide program is a comprehensive reform strategy designed to upgrade the entire educational program in a Title 1 school. The primary goal is to ensure that all students, particularly those who are low-achieving, demonstrate proficient and advanced levels of achievement on state academic achievement standards. Services provided may include parent participating in meetings as well as decision making and resources. The goal is to reinforce the skills taught in our curriculum and assist the student in achieving grade level proficiency in those skills.

Your child could receive services and/or support from a faculty member, which may include your child's teacher, a reading specialist, or other content area specialist. The school personnel will continue working to provide your child with the necessary skills and support to be more successful in achieving the expected learning standards.

WITHDRAWALS

If you are moving outside the school district, please inform your child's teacher. All bills must be paid in advance. When you enroll your child at his/her new school, you will sign a release of records form, and we will release those records to his/her new school upon receipt of the form.
